

CHANGING LIVES WITH BISDHA FOUNDATION

October 2025

At BISDHA Foundation, we believe that skills are the key to transformation. Since our establishment in 2021, we have been dedicated to empowering underprivileged youth, women, and adults with professional training and job placement opportunities. The BISDHA Foundation aims to create an international-standard institute that equips underprivileged youth and adults—especially women and children—with professional skills for employment, promoting equal opportunity and inclusive growth.
